

HONORARY MEMBERS OF THE MINERALOGICAL SOCIETY OF POLAND

UKD 061.22:549/438/.023.7"1980"

At the Jubilee Meeting of the Mineralogical Society of Poland held on 24th September, 1979 in Wieliczka, the first seven Honorary Members of the Society were elected. The diplomas were granted to the following scientists:

- Prof. Dr Andrzej Bolewski /Poland/
- Prof. Dr Antoni Gaweł /Poland/
- Prof. Dr Dmitry P. Grigoriev /Soviet Union/
- Prof. Dr Antoni Łaskiewicz /Poland/
- Prof. Dr Kazimierz Maślankiewicz /Poland/
- Prof. Dr Jean Wyart /France/
- Prof. Dr Jack Zussman /United Kingdom/

A life-sketch of Prof. Dr A. Bolewski, first President of the Mineralogical Society of Poland, was published in vol. 7, No 2 /1976/ of our periodical on the occasion of his 70th Anniversary.

The complete biography of Prof. Dr A. Łaskiewicz, who died on 21st April 1980, was presented in the preceding volume of Mineralogia Polonica /vol. 11, No 1/.
